Description

KPMG is a firm which provides you with an exciting and diverse experience during your articles.

We provide you with excellent support structures to ensure your wellbeing and personal development. This includes in-house board exams and a dedicated learning and development team committed to making you the best Chartered Accountant you can be.

Successful applicants for our audit practice will have the following qualifications:

Certificate in the Theory of Accountancy (CTA) or equivalent from a SAICA accredited university.

Ability to work under pressure and meet strict deadlines

We offer a 36-month training contract, competitive remuneration package and professional challenges.

You will also benefit from an opportunity to excel in an environment where professionalism and ability are the only criteria for success.
