## 2020 Summer Internship – Analyst - Research & Analysis

### Cape Town - ABSA on Grove

#### About IHS Markit

At the heart of IHS Markit, we are an information company. With expertise across the world's largest industries we leverage technology and data science, to provide the insights, software and data to help our customers make better informed decisions, driving growth, performance and efficiency.

During your summer at IHS Markit you'll have the chance to partner with our industry experts, with on the job experience focusing on high impact work that allows you to apply and develop your skills. Networking, business insights and tailored learning opportunities all support your growth and development, setting you up for success as you begin your career.

We want to build a pipeline of exceptional emerging leaders. If you excel in your internship, you could be fast tracked onto our full-time graduate program!

Eligibility: Our next internship program runs through the summer of 2020. We're looking for students who are working towards a Bachelor's or Master's degree (or equivalent), and due to complete their studies and be available for a full time graduate role commencing in the summer of 2021.

#### The role

Understanding the latest trends and leveraging sharp analytical skills and specialized industry expertise, our analysts deliver the data rich insights that guide our clients in long term decision making. If you are passionate about building the story behind the data, and becoming an industry or product specialist, then the Analyst stream is for you.

Opportunities within this stream sit within our Corporate Solutions Advisory team, who provide data, content, and consultation to public companies, specifically the Investor Relations function.

Roles within this stream may involve:

- Running reports for client
- Assisting analysts with research
- Monitoring equity markets

#### What we're looking for

We seek candidates with diverse backgrounds and ideas with a desire to learn and thrive. The Summer Internship Program will provide you with a variety of experiences to help you identify your strengths, develop highly transferable skills and align you to a successful career path for a bright future at IHS Markit.

#### To be considered for this opportunity, candidates should demonstrate the following education, skills, eligibility and experience

- Pursuing a Bachelor's or Master's degree (or equivalent) completing no later than September 2021
- This program is aimed at students with 0-6 months relevant work experience
- Excel experience
- VBA coding experience is advantageous, but not mandatory
- Demonstrated passion or interest in finance and economics
- Strong critical thinking and problem-solving skills
- Excellent communication skills
- An ability to learn and adapt quickly in a rapidly changing environment
- The ability to build strong working relationships in a collaborative setting
- Be legally eligible to work for the duration of the program in the country for which you apply

#### How to apply

- Submit your online application, which should include your CV, along with a short cover letter/motivational statement in one attachment (we suggest around 300 words).
  - We want to hear more about you; why you're interested in joining IHS Markit, and why you're interested in being considered for the role/s you have applied for.

#### Application and assessment process

The assessment process that follows is designed to ensure you can learn more about us, showcase your skills and find a role that is right for you.

##### Stage 1

Apply by submitting your **CV** and any supporting documents in one attachment

##### Stage 2

Initial assessment process. In most locations, this screening stage will be in the form of a telephone interview.

##### Stage 3

Final stage assessment day

You may be considered for multiple suitable roles throughout this process. If these roles fall within the same stream, you will be assessed during the same process. If the roles fall across multiple streams, you may be asked to complete different assessments aligned to those roles.

We recruit on a rolling basis and most of our assessment days are due to take place from November 2019. Applications close 8 December and we recommend early application.

#### Our commitment to diversity

Our business and our customers are diverse, and we believe that embracing a diverse and inclusive environment is key to defining who we are. Our people are what makes us unique and you will get the opportunity to work with some of the brightest minds from across the world who continuously find the best possible solutions, adding value and driving change for our customers.

IHS Markit is committed to providing equal employment opportunity (EEO) to all persons regardless of age, color, national origin, citizenship status, physical or mental disability, race, religion, creed, gender, sex, sexual orientation, gender identity and/or expression, genetic information, marital status, status with regard to public assistance, veteran status, or any other characteristic protected by the laws and regulations in any of our locations.

We are proud to provide reasonable accommodations to applicants with disabilities. If you are interested in applying for employment with IHS Markit and need special assistance or an accommodation to use our website or to apply for a position, please contact or call +1 212 849 0399. Determination on requests for reasonable accommodation are considered on a case-by-case basis. *This contact information (email and phone) is intended for application assistance and accommodation requests only.* We are unable to accept resumes or provide information about application status through the phone number or email address above. Resumes are only accepted through the online application process, and only qualified candidates will receive consideration and follow-up.

IHS Markit maintains a substance-free workplace. In addition, in the United States, we perform pre-employment drug testing and are required as a federal contractor to participate in the E-Verify Program to confirm eligibility to work.
