

Human Resources Graduate

55 Marshall Street, Marshalltown, Johannesburg, Gauteng, South Africa
Contract

Company Description

Anglo American has a portfolio of world-class mining operations. We mine, process, move and market the essential ingredients that enable a cleaner, more connected world and that meet fast growing consumer-driven demands for products from smartphones to electric cars. Our basic materials build homes, offices, railways and airports, and our diamonds fulfil people's dreams.

We are at the forefront of change in our industry; innovating with purpose – pushing boundaries to create new opportunities and demonstrate our values. As the custodians of precious natural resources – diamonds (through De Beers), copper, platinum and other precious metals, iron ore, coal and nickel – we rely on our high-performing teams to combine integrity, creativity and smart innovation with the utmost consideration for local communities, our customers and the world at large.

Re-Imagine your career and help us Re-Imagine Mining.

We're looking for the very best graduates to help us re-imagine mining to improve people's lives. Could you be one of them?

Job Description

Our SA Graduate Programme in Human Resources offers talented final year graduates the experience of meaningful roles, where you will learn, first-hand, how we're helping to build a better future, for all.

Qualifications

You must have:

- Bachelor in Human Resources / BCom Industrial Psychology

You will also need excellent academic results, to have actively participated in campus and community life, with strong leadership potential and be able to demonstrate drive, ambition and passion for challenging work in our operations.

Additional Information

What we offer

When you join Anglo American, you can expect to enjoy a competitive salary and benefits package. But more than this, you'll find yourself in an environment where the opportunities for learning and growth are second to none. From technical training to leadership programmes, we bring out the best in our people. There are plenty of opportunities to move onwards and upwards too. We're a large, successful multinational company – and we're still growing all the time.

Background Checks

If your application is successful, criminal and other background checks, where appropriate, will be required

Inclusion and Diversity

Anglo American is an equal opportunities employer. We are committed to promoting an inclusive and diverse workplace where we value and respect every colleague for who they are and provide equality of opportunity so that everyone can fulfil their potential.

How we are committed to your safety

Nothing is more important to us than ensuring you return home safely after a day's work. To make that happen, we have the most rigorous safety standards in the industry. Not only that, we're also continually investing in new technologies – from drones to data analytics – that are helping to make mining safer

How to apply

To apply for this role, please complete our online application form.

When applying for the SA Graduate Programme, you will be required to ensure all the questions are answered and the relevant documentation is uploaded, including:

- A certified ID document
- Certified Grade 12 Certificate
- Certified Degree Certificate/Latest transcripts
- CV with all the relevant information

Closing date: 30 September 2020
