### Overview

#### Company Description:

#### Company Description

Come and join us as part of Anglo American Platinum. Amandelbult Complex, Magalakwena Complex and Palokwane Metallurgical Complex, is hereby inviting applications for internship and P1/P2 program aimed at equipping members of the host communities with appropriate work experience. First preference will be given to relevant applications from host communities. **The program will run for a period of 12 months.**

Anglo American is a global diversified mining business. Our portfolio of world-class mining operations provides the metals and minerals that make modern life possible. We use innovative practices and the latest technologies to discover new resources and mine, process, move and market our products to our customers around the world.

#### Anglo Platinum

Our Platinum business mines, processes and refines the entire range of platinum group metals (PGMs): platinum, palladium, rhodium, ruthenium, iridium and osmium. We are the world's leading primary producer of PGMs, which have a range of specialized applications that improve lives across the world – from vehicle fuel cells to jewellery, dentistry to glassmaking, pacemakers to petroleum refining.

#### Job Description:

**Here's an exciting opportunity to join us.**

The Internship Program provides practical Work Learning and experience to individuals. The program will run for a period of 12 months.

#### Qualifications:

Successfully completed mining-related qualification in one of the fields;

- Diploma or degree in chemical or metallurgical engineering
- In-service training (P1/P2). Successfully completed S4 for a mining-related qualification
- Candidates will be expected to undergo a Medical Fitness Test and Assessments

#### Additional information:

#### How to apply

- All CV's from host communities must strictly come with a proof of residence with the stamp from relevant tribal office or municipality.
- You can also apply online on Anglo American website: [www.angloamerican.com](http://www.angloamerican.com), all online application must have supporting documents and proof of residence with the stamp from relevant tribal authorities and municipalities.
- CV's that do not meet the relevant requirements will not be considered
- To apply for this role, please complete our online application form. You will have the opportunity to upload your CV and other relevant documentation as part of this process.

#### Background checks

- By applying for this job, you provide consent that your personal details, including your fingerprints, can be used to conduct background screening where appropriate.
