

ICT - SANSa IN-SERVICE TRAINING OPPORTUNITY (CONTRACT APPOINTMENT IN HERMANUS) (HERMANUS)

📅 2023/01/10

Reference Number

ICT002

Description

SANSa has a mandate to drive the promotion and use of space and cooperation in space-related activities. To achieve this mandate, the Agency fosters research in space science and technology, advances space engineering programmes, and supports the creation of an environment conducive to industrial development in space technologies within the framework of national government policy. More information about the organization can be found at <http://www.sansa.org.za>

SANSa thrives on our employees' creativity, competencies, and expertise, and on their ingenuity to succeed in a high-performing environment. If you aspire to the SANSa values of Service, Teamwork, Respect, Integrity, Personal Growth, and Excellence, and living these in a fast-paced and innovative environment, then SANSa could be the place for you.

SANSa runs an In-service Training Programme in which students who need in-service training for 1-2 years to complete an official qualification are offered an opportunity to acquire practical work experience through mentoring and coaching.
