

Marketing Graduate (12 Months, On-Site) (Gauteng)

📅 2022/07/08

Reference Number

080722

Description

Are you looking for a career opportunity with an organization whose values you can live by?

INTEGRITY, INNOVATION, TEAMWORK, COMMITMENT and EXCELLENCE.

Join South Africa's global specialty and branded multinational pharmaceutical company with a presence in both emerging and developed markets and say it was you who joined Aspen.

Begin your 12-month graduate programme with Aspen and its extensive basket of products that provide treatment for a broad spectrum of acute and chronic conditions experienced through all stages of life. Our 12-month graduate programme is premeditated to develop young talent, striving for professional and personal growth.

You will attain working knowledge of Aspen as a business and you will learn how to deliver on high business demands, enduring pro-active and results driven traits within a diverse workforce and high-performance culture, in sustaining profitable portfolios through brand management exposure, strategy development, innovation and flawless execution.

This opportunity is intended to provide you with a compact foundation to further develop and succeed in your career, throughout the graduate programme you will be offered guidance and mentorship, followed by quarterly evaluations.

Requirements

To be eligible for this opportunity:

- Applicants must have completed Grade12
- Applicants must have graduated with a Degree in Commerce, Science or Marketing
- Have energy and passion for working with people.
- An energetic, self-starter who will be able to deal with multifaceted situations, committed to excellence and has a keen willingness to learn.

*The job applicant acknowledges, agrees, accepts, and understands that the Company (Pharmacare Limited t/a Aspen Pharmacare), has a **mandatory Covid-19 Vaccination Policy and Plan** which, inter alia, provides for **mandatory vaccination for all employees at SA Commercial**. Mandatory Covid-19 vaccination applies to this job vacancy. As such, in applying for and if applicable accepting an offer of employment for this job role, **the applicant warrants that s/he is fully vaccinated, and that his/her vaccination status is valid and up to date**. The Job applicant's electronic vaccination certificate, as issued by the NDOH, must be provided if the job application results in an offer and subsequent acceptance of this offer of employment. The applicant acknowledges, further, that there is no particular reason that he/she would refuse any future booster or vaccination requirements that may/should be recommended by the South African health authorities.*

Aspen is committed to the principles of equal employment opportunity and suitably qualified job applicants are invited to submit their CV online on or before the **15 July 2022**. Preference will be given to applicants from designated groups through a fair recruitment and selection process in accordance with laws governing employment equity, where such laws are applicable to the Aspen
