Production Control and Logistics Graduate 1 1

Date: 18-Jan-2022**Country/Region:** ZA**City:** CAPE TOWN**Contract Type:** Trainee**Requisition ID:** 30308

Position Description |

Job title	Production Control and Logistics Graduate
Department	PC&L
Site	Cape Town
Hierarchically reporting to	PC&L Manager

Main purpose of the role

The role of a PC&L Graduate is to verify that production line delivery aligns with minimum stock targets and logistics costs

Essential responsibilities and duties

As PC&L graduate, your main responsibilities are as follow:

- Build up the Procurement Program by dividing and levelling piece procurements
- Follow up the Procurement Program realization by managing alert systems and follow the unloading, receipt and transportation of pieces.
- Follow supplier delivery performance (supplier Misdeliveries Per Million) and the service of logistics partners and propose appropriate improvement action plans.
- Achieve the transportation program on a monthly basis and the transportation scheme semi-annually.
- Direct packaging management.
- Ensure that logistics conventions comply with purchasing objectives and support conditions set by suppliers for procurement and packaging and by logistics partners for transport and services.
- Verify that Sales and Production Plan (PIC) capacity requirements can be supported by suppliers and implement corrective actions when necessary.

Qualifications and position requirements

The ideal candidate will have/be :

Education : National Diploma/Degree in Purchasing/Logistics/Engineering

Skills and competencies:

- Advanced numerical skills
- Strong Microsoft pack office skills (ppt,...) and reporting skills
- SAP basics or knowledge is a plus
- Business international mindset
- Knowledge of productivity / lean management methodology
- Knowledge of production, quality management and logistics

Please include the statement of results of your qualification with your CV.
Only South African citizens are eligible for the Faurecia South Africa Graduate Programme.
